Forecast for Wednesday 19 Jul 2023

Weather: Cloudy around midnight with any lingering rain soon easing through the early hours. A bright start to the morning, with long spells of sunshine and light winds. Dry for most into the afternoon, but some isolated light showers may develop from late morning onwards. Drier into the evening as any remaining showers fade away.

Chance of cloud-free hill tops above 800m: Less than 10%, becoming greater than 90% through the morning.

Low Cloud and visibility: Widely around 300m at first, but this lifting and clearing eastwards through the morning. Poor or very poor visibility at first, becoming good or very good as cloud lifts and any rain eases.
